

(A)

You are the promised kiss of springtime
That makes the lonely winter seem long.

(B)

You are the breathless hush of evening
That trembles on the brink of a lovely song.

(C)

You are the angel glow that lights a star.
The dearest things I know are what you are.

(D)

Some day my happy arms will hold you,
And some day I'll know that moment divine,
When all the things you are, are mine.
